Re: Annual Meeting & Scientific Program in Monterey, March 22-24, 2019

Dear Prospective NCPS Annual Meeting Exhibitor:

Thank you for your interest in attending the NCPS Annual Meeting and Scientific Program in Monterey as an exhibitor.

Attached to this letter, please find our standard exhibitor contract, which includes all applicable costs to exhibit.

This event is expected to have approximately 125-150 psychiatrists who will be receiving Continuing Medical Education (CME) credit for each of the courses they attend throughout this 3-day conference. As such, exhibitor space is setup in a separate room to avoid any conflict of interest.

Tentative face-to-face opportunities with attendees will be during the evening reception on the 22nd, during two breaks and an evening reception on the 23rd, and during the morning break on the 24th. A final agenda will be distributed closer to the event.

Thank you again for your support and we hope you will join us March 22-24, 2019 in Monterey.

Best regards,

Adrienne Davis
